To Visit 

## NEW SUSPENSION BRIDGE IN OLD NOARLUNGA

If you have a penchant for bridges and don't mind an outing in the fresh air, then this is a lovely local walk!

In a stormy 2016 the swing bridge over the Onkaparinga River was washed away. After much campaigning a new bridge has been built; sympathetic to the original with a modern twist.

Suitable for all ages you can take the kids and grandma for a gentle stroll and finish up at the local playground for a picnic or BBQ for all the family.

Gephyromania – a person who has a passion for bridges.
