## To Eat Port Elliot Bakery

.....

The bakery was built by the Bebee family in the 1860s and the building has been a bakery for over a hundred years with the original wood fired oven still in place.

With an extraordinary range of fresh baked goods daily and friendly customer service, Port Elliot Bakery is quite the South Australian institution.

It is not unusual to see a line of hungry customers snaking out of the front door and down the street on weekends... but it is worth the wait - choosing what to have (or how many!) is the hardest task.

- 31 North Terrace, Port Elliot SA 5212
- Open 7 days, 7 am - 5 pm (Sun: 8 am - 5 pm)

## To Read Travel the Mind, Marie Sulda

.....

Travel the Mind is a book of meditation adventures for parents to read to their children at bedtime, or for relaxation. By igniting their imagination, connecting with their emotions and using creativity, they can unlock magical spaces within their minds. This book aims to create a bedtime ritual that parents and children look forward to, where bonds are built and memories are made.
