

Corrina's Shiraz Cabernet 2021 McLAREN VALE

THE YEAR THAT: Corrina joined the Australian Wine Research Institute Board

HISTORY

With 100 ha of premium grapevines on the Taranga property, the Oliver family has over 50 blocks representing different grape varieties, clones, soil types & vine ages.

WINE & VINTAGE

2021 was one of the best vintages we have ever had in McLaren Vale. After two years of very low crops and drought, 2021 was perfect in almost every way (apart from a global pandemic that is!) A rare beast, the Corrina's is a co-fermented, field blend of Shiraz and Cabernet Sauvignon, made only in years when both varieties reach optimum ripeness at harvest.

AROMA

Choc mint cookies, bay leaf, blackcurrant, spice and earth.

PALATE

An Aussie classic blend sitting right in the pocket from an awesome vintage. Cacao dust, blackberry, mulberry framed by fine yet firm tannins. Bright full bodied fruit full of flavour and offering excellent aging potential.

THE YEAR THAT...

Established in 1955, the Australian Wine Research Institute (AWRI) is the Australian grape and wine industry's own not-for-profit research organisation. It supports a sustainable and successful grape and wine industry through world class research, practical solutions and knowledge transfer. Corrina was thrilled to join the board in 2021, representing small winemakers and grapegrowers. Innovation and continual learning has been a core value of the Oliver family for many generations, so there is a strong fit with the world class research of the AWRI.

WHAT THE WRITERS HAVE TO SAY [2020 VINTAGE]

"Subtle on the nose, this tightly-wound wine needs time to relax and show what it has to offer. Although it's a little unyielding in youth, alluring notes of raspberries, roses and blackcurrants slowly emerge. The tannins are fine yet firm, offering a savoury counter to the fruit brimming with ripeness and clarity."
