

Moscato

2022
SOUTH
AUSTRALIA

THE YEAR THAT: We hosted our first live TV weather cross at Oliver's Taranga.

HISTORY

With 100 ha of premium grapevines on the Taranga property, the Oliver family has over 50 blocks representing different grape varieties, clones, soil types & vine ages.

WINE & VINTAGE

The 2022 Moscato is made from the White Frontignac grape variety (also known as Muscat Blanc a Petits Grains), part of the muscat family of grapes which are renowned for their floral and fruity characters. This is the perfect grape to make a Moscato style of wine with its floral characters, low alcohol, spritz and refreshing sweetness on the finish.

AROMA

A potpourri of florals jump from the glass, green pineapple, fresh honey and honeydew melon.

PALATE

Fresh honey bursts in the mouth, like drinking flowers. Very fresh and bright, finishing with a beautiful spritz and gentle sweetness. Serve straight from the fridge as an aperitivo or with dessert.

THE YEAR THAT...

We were thrilled in 2022 to host Amelia Mulcahy and the weather team from Channel 7 News Adelaide in our brand new cellar door. It was a glorious evening looking out onto the vines and we did a number of live crosses throughout the night. Amelia took a liking to Marj the winery dog who was very keen to get her face on camera! After the Channel 7 gang left we all sat on the deck with our favourite knock off cocktail - Moscato Starburst. See the recipe here... www.oliverstaranga.com/quince-gin-cocktail-recipes/

WINEMAKER

Corrina

Corrina Wright, 6th Generation

SMALL BATCH PRODUCTION

3589 bottles

GRAPE VARIETY

100% White Frontignac

REGION

100% South Australia

COLOUR

Light Straw

ALCOHOL

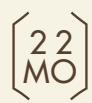

6.0%

WHAT THE FANS HAVE TO SAY.

“Their Moscato is one of the best I’ve ever tried! It is made from the White Frontignac grape - which is renowned for its floral and fruity characters. The light fizziness finishes off this great ‘perfect-for-summer’ Moscato.”
